Item 1.01 Entry into a Material Definitive Agreement.

On June 18, 2018, the Company closed its offering of the \$500,000,000 in aggregate principal amount of 5.875% Senior Notes due 2026 (the “Notes”). The Notes were issued pursuant to an Indenture, dated as of June 18, 2018, between the Company and U.S. Bank National Association, as trustee, as supplemented by the Officer’s Certificate, dated as of June 18, 2018 (the “Indenture”). The net proceeds from the sale of the Notes will be used by the Company for general corporate purposes, which may include share repurchases, dividends, acquisitions, repayments of debt, and working capital and capital expenditures.

The Indenture provides, among other things, that the Notes will be senior unsecured obligations of the Company. Interest is payable on the Notes on June 15 and December 15 of each year, beginning December 15, 2018. The Notes will mature on June 15, 2026.

Prior to June 15, 2021, the Company may redeem the Notes in whole or in part at a price equal to 100% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, plus the applicable “make-whole” premium.

On or after June 15, 2021, the Company may redeem the Notes at a price equal to: (i) 102.938% of the aggregate principal amount of the Notes redeemed prior to June 15, 2022; (ii) 101.958% of the aggregate principal amount of the Notes redeemed on or after June 15, 2022 but prior to June 15, 2023; (iii) 100.979% of the aggregate principal amount of the Notes redeemed on or after June 15, 2023 but prior to June 15, 2024; and (iv) 100.000% of the aggregate principal amount of the Notes redeemed thereafter.

Subject to certain limitations, in the event of a change of control of the Company, the Company will be required to make an offer to purchase the Notes at a purchase price equal to 101.000% of the principal amount of the Notes, plus accrued and unpaid interest to (but not including) the date of purchase.

As the general unsecured obligations of the Company, the Notes rank (i) equally in right of payment with all of the Company’s existing and future senior indebtedness, including indebtedness under the Company’s credit facilities and existing senior notes, (ii) senior to all of the Company’s future subordinated indebtedness, (iii) effectively subordinated to all of the Company’s existing and future secured indebtedness, to the extent of the value of the collateral securing such indebtedness and (iv) structurally subordinated to the obligations of the Company’s subsidiaries.

The Indenture contains covenants that limit the Company and its subsidiaries’ ability to, among other things: (i) incur liens on any of their properties or assets; (ii) enter into any sale/leaseback transaction; and (iii) consolidate with, merge with or into, or sell, convey, transfer or lease all or substantially all its assets to, any other person. These covenants are subject to a number of important exceptions and qualifications, as described in the Indenture. The Indenture also provides for events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately.

The foregoing description of the Notes and the Indenture are qualified in its entirety by reference to the full text of the Indenture, which is included as Exhibit 4.1 to this report, and the Officer’s Certificate, which is included as Exhibit 4.2 to this report, each of which is incorporated into this Current Report on Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Please see the discussion set forth under Item 1.01, "Entry into a Material Definitive Agreement," of this Form 8-K, which discussion is incorporated herein by reference.

SECTION 2.02. Establishment of Terms of Series of Securities.

At or prior to the issuance of any Securities within a Series, the following shall be established (as to the Series generally, in the case of Section 2.02(a), and either as to such Securities within the Series or as to the Series generally in the case of Sections 2.02(b) through 2.02(cc)) by a Board Resolution, a supplemental indenture or an Officer's Certificate pursuant to authority granted under a Board Resolution:

(cc) any other terms of Securities of the Series (which terms shall not be prohibited by the provisions of this Indenture).

All Securities of any one Series need not be issued at the same time and may be issued from time to time, consistent with the terms of this Indenture, if so provided by or pursuant to the Board Resolution, supplemental indenture or Officer's Certificate referred to above, and the authorized principal amount of any Series may not be increased to provide for issuances of additional Securities of such Series, unless otherwise provided in such Board Resolution, supplemental indenture or Officer's Certificate.

SECTION 2.03. Execution and Authentication.

An Officer shall sign the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates the Security, the Security shall be valid nevertheless.

A Security shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Security. The signature of the Trustee on a Security shall be conclusive evidence that such Security has been duly and validly authenticated and issued under this Indenture. A Security shall be dated the date of its authentication, unless otherwise provided by a Board Resolution, a supplemental indenture or an Officer's Certificate.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in the principal amount provided in the Board Resolution, supplemental indenture hereto or Officer's Certificate, upon receipt by the Trustee of a Company Order, an Officer's Certificate delivered in accordance with section 10.04 and an Opinion of Counsel which shall state:

(1) that the form and the terms of such Securities have been established by a supplemental indenture or Officer's Certificate or by or pursuant to a Board Resolution in accordance with Sections 2.01 and 2.02 and in conformity with the provisions of this Indenture;

(2) that such Securities when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will have been duly authorized, executed and delivered, and constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws relating to or affecting creditors' rights generally and subject to general principles of equity, including concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether such enforceability is considered in a proceeding in equity or at law; and

(3) that all conditions precedent in respect of the execution and delivery by the Company of such Securities have been complied with;

provided, however, that the Opinion of Counsel addressing the matters set forth in clause (3) above shall not be required to be furnished in connection with the initial issuance of Securities hereunder.

The aggregate principal amount of Securities of any Series outstanding at any time may not exceed any limit upon the maximum principal amount for such Series set forth in the Board Resolution, supplemental indenture hereto or Officer's Certificate delivered pursuant to Section 2.02, except as provided in Section 2.08.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Securities. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Company. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

SECTION 2.04. Registrar and Paying Agent.

The Company shall maintain, with respect to each Series of Securities, at the place or places specified with respect to such Series pursuant to Section 2.02, an office or agency where Securities of such Series may be presented for registration of transfer or for exchange (the "Registrar") and an office or agency where Securities of such Series may be presented for payment (the "Paying Agent"). The Registrar shall keep a register with respect to each Series of Securities and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term "Paying Agent" includes any additional paying agent and the term "Registrar" includes any co-registrars. The Company hereby appoints the Trustee as Registrar and Paying Agent for each Series of Securities unless another Registrar or Paying Agent, as the case may be, is appointed prior to the time Securities of a Series are first issued. The Company may change any Registrar, co-registrar or Paying Agent without notice to any Holder.

The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent or co-registrar not a party to this Indenture, which shall incorporate the terms of the Trust Indenture Act. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07. The Company or any of its domestically organized Subsidiaries may act as Paying Agent, Registrar, co-registrar or transfer agent.

The Company may remove any Registrar or Paying Agent upon written notice to such Registrar or Paying Agent and to the Trustee; provided, however, that no such removal shall become effective until (1) acceptance of any appointment by a successor as evidenced by an agreement entered into by the Company and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee or (2) notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (1) above. The Registrar or Paying Agent may resign at any time upon written notice; provided, however, that the Trustee may resign as Registrar or Paying Agent only if the Trustee also resigns as Trustee in accordance with Section 7.08.

SECTION 2.05. Paying Agent to Hold Money in Trust.

The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust, for the benefit of Holders of any Series of Securities, or the Trustee, all money held by the Paying Agent for the payment of principal of or interest on the Series of Securities, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or any of its Subsidiaries) shall have no further liability for the money. If the Company or any of its domestically organized Subsidiaries acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of Holders of any Series of Securities all money held by it as Paying Agent. Upon any Event of Default under Section 6.01(5) or (6), the Trustee shall automatically become the Paying Agent. In the event that the Paying Agent receives funds in advance of the due date, the Paying Agent shall be entitled to invest such funds in the U.S. Bank Money Market Deposit Account or any other account designated by the Company in writing, any earnings on which shall be for the account of the Company.

SECTION 2.06. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders of each Series of Securities and shall otherwise comply with Trust Indenture Act Section 312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least five days before each interest payment date and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Holders of each Series of Securities.

SECTION 2.07. Transfer and Exchange.

Where Securities of a Series are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Securities of the same Series, the Registrar shall register the transfer or make the exchange if its requirements for such transactions are met. To permit registrations of transfers and exchanges, the Trustee shall authenticate Securities at the Registrar's request. No service charge shall be made for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer tax or similar governmental charge payable upon exchanges pursuant to Sections 2.11, 3.06 or 9.05).

Neither the Company nor the Registrar shall be required (a) to issue, register the transfer of, or exchange Securities of any Series for the period beginning at the opening of business 15 days immediately preceding the mailing of a notice of redemption of Securities of that Series selected for redemption and ending at the close of business on the day of such mailing or (b) to register the transfer of or exchange Securities of any Series selected, called or being called for redemption as a whole or the portion being redeemed of any such Securities selected, called or being called for redemption in part.

SECTION 2.08. Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee, upon receipt of a Company Order, shall authenticate and deliver in exchange therefor a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and the Trustee, upon receipt of a Company Order, shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any Series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that Series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 2.09. Outstanding Securities.

Securities outstanding at any time are all Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation and those described in this Section as not outstanding. A Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security.

If a Security is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Company receives proof satisfactory to it that the replaced Security is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Security is considered paid, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, at the Maturity of Securities of a Series money sufficient to pay all principal and interest payable on that date with respect to such Securities, then on and after that date such Securities cease to be outstanding and interest on them ceases to accrue.

In determining whether the Holders of the requisite principal amount of outstanding Securities of any Series have given any request, demand, authorization, direction, notice, consent or waiver hereunder, the principal amount of an Original Issue Discount Security that shall be deemed to be outstanding for such purposes shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.02.

SECTION 2.10. Treasury Securities.

In determining whether the Holders of the required principal amount of Securities of a Series have concurred in any request, demand, authorization, direction, notice, consent or waiver, Securities of a Series owned by the Company shall be disregarded.

SECTION 2.11. Temporary Securities.

Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall authenticate and deliver temporary Securities. Temporary Securities shall be substantially in the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Securities and deliver them in exchange for temporary Securities.

SECTION 2.12. Cancellation.

The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee for cancellation any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel and destroy (subject to the record retention requirements of the Exchange Act) all Securities surrendered for registration of transfer, exchange, payment, replacement or cancellation and deliver a certificate of such destruction to the Company unless the Company directs the Trustee to deliver canceled Securities to the Company. The Company may not issue new Securities to replace Securities it has redeemed, paid or delivered to the Trustee for cancellation. The Trustee shall provide to the Company a list of all Securities that have been cancelled from time to time as requested in writing by the Company.

SECTION 2.13. Defaulted Interest.

If the Company defaults in a payment of interest on a Series of Securities, the Company shall pay defaulted interest at the rate set forth in the Securities (plus interest on such defaulted interest to the extent lawful) in any lawful manner. The Company may pay the defaulted interest to the persons who are Holders of such Series on a subsequent special record date. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Security and the date of the proposed payment. The Company shall fix or cause to be fixed any such special record date and payment date and shall promptly mail, or cause to be mailed, to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.14. Global Securities.

(a) Terms of Securities. A Board Resolution, a supplemental indenture hereto or an Officer's Certificate shall establish whether the Securities of a Series shall be issued in whole or in part in the form of one or more Global Securities and the Depositary for such Global Security or Securities.

(b) Transfer and Exchange. Notwithstanding any provisions to the contrary contained in Section 2.07 of this Indenture and in addition thereto, any Global Security shall be exchangeable pursuant to Section 2.07 of this Indenture for Securities registered in the names of Holders other than the Depositary for such Security or its nominee only if (i) such Depositary notifies the Company that it is unwilling or unable to continue as Depositary for such Global Security or if at any time such Depositary ceases to be a clearing agency registered under the Exchange Act, and, in either case, the Company fails to appoint a successor Depositary within 90 days of such event, (ii) the Company, subject to the procedures of the Depositary, executes and delivers to the Trustee an Officer's Certificate to the effect that such Global Security shall be so exchangeable or (iii) an Event of Default with respect to the Securities represented by such Global Security shall have happened and be continuing. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Securities registered in such names as the Depositary shall direct in writing in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

Except as provided in this Section 2.14(b) a Global Security may not be transferred except as a whole by the Depositary with respect to such Global Security to a nominee of such Depositary, by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by the Depositary or any such nominee to a successor Depositary or a nominee of such a successor Depositary.

(c) Legend. Any Global Security issued hereunder shall bear a legend in substantially the following form:

“This Global Security is held by the Depositary (as defined in the Indenture governing this Security) or its nominee in custody for the benefit of the beneficial owners hereof, and is not transferable to any person under any circumstances except that (I) the Trustee may make such notations hereon as may be required pursuant to Section 9.05 of this Indenture, (II) this Global Security may be exchanged in whole but not in part pursuant to Section 2.08 of the Indenture, (III) this Global Security may be delivered to the Trustee for cancellation pursuant to Section 2.15 of the Indenture and (IV) this Global Security may be transferred to a successor Depositary with the prior written consent of the Company (as defined in the Indenture governing this Security).”

(d) Acts of Holders. The Depositary, as a Holder, may appoint agents and otherwise authorize participants to give or take any request, demand, authorization, direction, notice, consent, waiver or other action which a Holder is entitled to give or take under this Indenture.

(e) Payments. Notwithstanding the other provisions of this Indenture, unless otherwise specified as contemplated by Section 2.02, payment of the principal of and interest, if any, on any Global Security shall be made to the Holder thereof.

(f) Consents, Declaration and Directions. Except as provided in Section 2.14(e), the Company, the Trustee and any Agent shall treat a person as the Holder of such principal amount of outstanding Securities of such Series represented by a Global Security as shall be specified in a written statement of the Depository with respect to such Global Security, for purposes of obtaining any consents, declarations, waivers or directions required to be given by the Holders pursuant to this Indenture.

SECTION 2.15. CUSIP Numbers, ISINs, etc.

The Company in issuing the Securities may use “CUSIP” numbers, ISINs and “Common Code” numbers (in each case if then generally in use) and, if so, the Trustee shall use “CUSIP” numbers, ISINs and “Common Code” numbers in notices of redemption as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall advise the Trustee in writing of any change in any “CUSIP” numbers, ISINs or “Common Code” numbers applicable to the Securities of any Series.

ARTICLE III

Redemption

SECTION 3.01. Notices to Trustee.

The Company, with respect to any Series of Securities, may elect to redeem and pay the Series of Securities or may covenant to redeem and pay the Series of Securities or any part thereof prior to the Stated Maturity thereof at such time and on such terms provided for in such Series of Securities. If a Series of Securities is redeemable and the Company wants or is obligated to redeem prior to the Stated Maturity thereof all or part of the Series of Securities pursuant to the terms of such Securities, it shall notify the Trustee in writing of the redemption date and the principal amount of Securities of the Series to be redeemed and the redemption price. The Company shall give such notice to the Trustee at least 45 days before the redemption date.

SECTION 3.02. Selection of Securities to Be Redeemed.

Unless otherwise provided for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officer’s Certificate, if fewer than all the Securities of a particular Series are to be redeemed or purchased, the Trustee shall select the Securities of such Series to be redeemed or purchased pro rata or by lot or by a method that complies with applicable legal and securities exchange requirements, if any, and that the Trustee in its sole discretion shall deem to be fair and appropriate and in accordance with methods generally used at the time of selection by fiduciaries in similar circumstances. The Trustee shall make the selection at least 30 days but no more than 60 days before the redemption date (subject to delay as provided in the Indenture to allow for one or more conditions to be satisfied) from outstanding Securities of a Series not previously called for redemption. Securities and portions thereof that the Trustee selects shall be in principal minimum amounts of \$2,000 or integral multiples of \$1,000 in excess thereof. Provisions of this Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. If applicable, the Trustee shall promptly notify the Company of the Securities (or portions thereof) to be redeemed.

Any redemption or notice may, at the Company's discretion, be subject to one or more conditions precedent and, at the Company's discretion, the redemption date may be delayed until such time as any of all such conditions shall be satisfied.

SECTION 3.03. Notice of Redemption.

Unless otherwise provided for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officer's Certificate, at least 30 days but not more than 60 days before a date for redemption of Securities, the Company shall mail a notice of redemption by first-class mail to each Holder of Securities to be redeemed at such Holder's registered address or delivered electronically if held by The Depository Trust Company ("DTC"), except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of this Indenture, or in the case of Global Securities, delivered according to the procedures of the Depository.

The notice shall identify the Securities to be redeemed and shall state:

- (1) the redemption date;
 - (2) the redemption price (or the method of calculating such price);
 - (3) if any Security is being redeemed in part, the portion of the principal amount of such Security to be redeemed and that, after the redemption date upon surrender of such Security, a new Security or Securities in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Security;
 - (4) the name and address of the Paying Agent;
 - (5) that Securities called for redemption must be surrendered to the Paying Agent to collect the redemption price;
 - (6) that, upon the satisfaction of any conditions to such redemption set forth in the notice of redemption, and unless the Company defaults in making such redemption payment or the Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the redemption date;
 - (7) the paragraph of the Securities and/or provision of this Indenture pursuant to which the Securities called for redemption are being redeemed;
 - (8) that the redemption is for a sinking fund, if such is the case; and
 - (9) the CUSIP or ISIN number, if any, printed on the Securities being redeemed; provided, however, that no representation will be made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Securities.
-

In addition, if such redemption is subject to one or more conditions precedent, such notice shall describe each such condition and, if applicable, shall state that in the Company's discretion, the redemption date may be delayed until such time (including, subject to the applicable procedures of DTC, more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. The Company will provide prompt written notice to the Trustee and the Holders prior to the close of business two Business Days prior to the redemption date rescinding such redemption and notice of redemption shall be rescinded and of no force or effect. Upon the Company's written request given at least five Business Days prior to the date such notice shall be sent (unless the Trustee consents to a shorter period), the Trustee shall (on the date specified in such written request or promptly after such time) forward such notice to the Holders in the Company's name and at the Company's expense in the same manner in which the notice of redemption was given.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense. In such event, the Company shall provide the Trustee with the information required by this Section.

SECTION 3.04. Effect of Notice of Redemption.

Once notice of redemption is mailed, Securities called for redemption become due and payable on the redemption date and at the redemption price stated in the notice, subject to the satisfaction of any conditions precedent provided in such notice. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price stated in the notice, plus accrued interest to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the related interest payment date), and such Securities shall be canceled by the Trustee. On and after the redemption date, unless the Company defaults in the payment of the amounts due upon redemption, interest ceases to accrue on Securities or portions of such Securities called for redemption. Failure to give notice or any defect in the notice to any Holders shall not affect the validity of the notice to any other Holder.

SECTION 3.05. Deposit of Redemption Price.

Prior to 11:00 a.m. (New York City time) on the redemption date, the Company shall deposit with the Paying Agent (or, if the Company or a Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest on all Securities to be redeemed on that date other than Securities or portions of Securities called for redemption which have been delivered by the Company to the Trustee for cancellation. The Paying Agent shall as promptly as practicable return to the Company any money deposited with it by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Securities to be redeemed. If such money is then held by the Company in trust and is not required for such purpose it shall be discharged from such trust. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 3.06. Securities Redeemed in Part.

Upon surrender of a Security that is redeemed in part, the Company shall execute and the Trustee shall authenticate for the Holder (at the Company's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered, and the Company shall cancel the original Security.

ARTICLE IV

CovenantsSECTION 4.01. Payment of Securities.

The Company shall promptly make all payments in respect of each Series of Securities on the dates and in the manner provided in such Series of Securities and in this Indenture. Such payments shall be considered made on the date due if on such date the Trustee or the Paying Agent holds, in accordance with this Indenture, money sufficient to make all payments with respect to such Securities then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.

SECTION 4.02. Reports.

At any time when the Company is not subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company shall furnish to the Holders and to prospective investors, upon the requests of any Holders, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as any Securities are not freely transferable under the Securities Act. The Company also shall comply with the other provisions of Trust Indenture Act § 314(a).

SECTION 4.03. Compliance Certificate.

The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, an Officer's Certificate stating that in the course of the performance by the signers of his or her duties as Officer of the Company such Officer would normally have knowledge of any Default and whether or not such Officer knows of any Default that occurred during such period. If so, the certificate shall describe the Default, its status and what action the Company is taking or proposes to take with respect thereto. ARTICLE VI

Defaults and Remedies

SECTION 6.01. Events of Default.

Unless otherwise provided for a particular Series of Securities by a Board Resolution, a supplemental indenture or an Officer's Certificate, each of the following constitutes an "Event of Default" with respect to a Series of Securities:

(1) the Company's default in any payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), any Security of that Series when such amount becomes due and payable at Stated Maturity, upon acceleration, required redemption or otherwise;

(2) the Company's failure to pay interest on any Security of that Series when such interest becomes due and payable, and such failure continues for a period of 30 days;

(3) the Company fails to comply with Section 5.01;

(4) the Company fails to comply with any of its agreements contained in the Securities of that Series or this Indenture (other than those referred to in clause (1), (2) or (3) above) and such failure continues for 90 days after the notice specified below;

- (5) the Company or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:
- (A) commences a voluntary case;
 - (B) consents to the entry of an order for relief against it in an involuntary case;
 - (C) consents to the appointment of a Custodian of it or for any substantial part of its property;
 - (D) makes a general assignment for the benefit of its creditors;

or takes any comparable action under any foreign laws relating to insolvency; or

- (6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (A) is for relief against the Company or any Significant Subsidiary in an involuntary case;
 - (B) appoints a Custodian of the Company or any Significant Subsidiary or for any substantial part of its property;
- or
- (C) orders the winding up or liquidation of the Company or any Significant Subsidiary;

or any similar relief is granted under any foreign laws, and the order or decree remains unstayed and in effect for 90 days.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

The term “Bankruptcy Law” means Title 11, United States Code, or any similar Federal or state law for the relief of debtors. The term “Custodian” means any receiver, trustee, assignee, liquidator, custodian or similar official under any Bankruptcy Law.

A Default under clause (4) above is not an Event of Default with respect to any Series of Securities until the Trustee or the holders of at least 30% in principal amount of the Securities of that Series notify the Company of the Default and the Company does not cure such Default within the time specified in clause (4) after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a “Notice of Default.” Any Default for the failure to deliver any report within the time periods prescribed in Section 4.02 or to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the subsequent delivery of any such report, notice or certificate, even though such delivery is not within the prescribed period specified.

SECTION 6.02. Acceleration.

If an Event of Default with respect to any Series of Securities at the time outstanding (other than an Event of Default specified in Section 6.01(5) or (6) with respect to the Company) occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 30% in aggregate principal amount of the Securities of that Series by written notice to the Company and the Trustee, may declare the principal of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), and accrued and unpaid interest on, all the Securities of that Series to be due and payable. Upon such a declaration, such amounts shall be due and payable immediately. If an Event of Default specified in Section 6.01(5) or (6) with respect to the Company occurs and is continuing, the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), and accrued and unpaid interest on, all the Securities of each Series shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the Securities of any Series, by notice to the Trustee, may rescind any such acceleration of that Series of Securities and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default with respect to such Series have been cured or waived except nonpayment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), and accrued and unpaid interest on, all Securities of that Series that has become due solely because of acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies.

If an Event of Default with respect to any Series of Securities occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), and accrued and unpaid interest on, the Securities of that Series or to enforce the performance of any provision of the Securities of that Series or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Securities of a Series or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default with respect to any Series of Securities shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults.

The Holders of a majority in principal amount of the Securities of any Series may, by notice to the Trustee, waive an existing Default and its consequences except (a) a Default in the payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest on a Security of that Series, (b) a Default arising from the failure to redeem or purchase any Security of that Series when required pursuant to the terms of this Indenture or (c) a Default in respect of a provision that under Section 9.02 cannot be amended without the consent of each Holder of that Series affected. When a Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or impair any consequent right.

SECTION 6.05. Control by Majority.

The Holders of a majority in principal amount of the Securities of any Series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee with respect to that Series. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.01, that the Trustee determines is unduly prejudicial to the rights of any other Holder of that Series or that would involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

SECTION 6.06. Limitation on Suits.

Except to enforce the right to receive payment of principal of (or, in the case of Original Issue Discount Securities, the portion thereby specified in the terms of such Security), or accrued and unpaid interest on, a Security of any Series when due, no Holder of a Security of that Series may pursue any remedy with respect to this Indenture or the Securities of that Series unless:

- (1) the Holder has previously given the Trustee written notice that an Event of Default with respect to that Series is continuing;
- (2) the Holders of at least 30% in aggregate principal amount of the outstanding Securities of that Series make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders of that Series have offered the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security or indemnity; and
- (5) the Holders of a majority in aggregate principal amount of the outstanding Securities of that Series have not given the Trustee a direction inconsistent with such request during such 60-day period.

A Holder of Securities of any Series may not use this Indenture to prejudice the rights of another Holder of that Series or to obtain a preference or priority over another Holder of that Series.

SECTION 6.07. Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of (or, in the case of Original Issue Discount Securities, the portion thereby specified in the terms of such Security), or accrued and unpaid interest on, the Securities held by such Holder, on or after the respective due dates expressed in the Securities, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.07 to cover the costs and expenses of collection, including the reasonable compensation, expenses disbursement and advances of the Trustee, its agents and its counsel.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company or any of its Subsidiaries, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07.

SECTION 6.10. Priorities.

If the Trustee collects any money or property pursuant to this Article VI with respect to any Series of Securities, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: Holders for amounts due and unpaid on the Securities of that Series for the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Securities of that Series for the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and accrued and unpaid interest, respectively; and

THIRD: to the Company.

The Company shall fix a record date and payment date for any payment to Holders pursuant to this Section. At least 15 days before such record date, the Company shall mail to each Holder and the Trustee a notice that states the record date, the payment date and the amount to be paid.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Securities of any Series.

SECTION 6.12. Waiver of Stay or Extension Laws.

The Company (to the extent it may lawfully do so) shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VII

TrusteeSECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing with respect to any Series of Securities, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holder of Securities, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense and then only to the extent required by the terms of this Indenture.

(b) Except during the continuance of an Event of Default with respect to any Series of Securities:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Securities of that Series, as modified or supplemented by a supplemental indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(h) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section and to the provisions of the Trust Indenture Act.

SECTION 7.02. Rights of Trustee.

(a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond, debenture, note or other paper or document.

(g) The Trustee shall not be deemed to have notice or charged with knowledge of any Default or Event of Default with respect to the Securities of any Series unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received from the Company or any Holders of such Securities by the Trustee at the Corporate Trust Office of the Trustee, and such notice references such Securities and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may from time to time request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to the Indenture, which Officer's Certificate may be signed by any persons authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(k) The permissive right of the Trustee to take any action under this Indenture shall not be construed as a duty to so act.

(l) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(m) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest, it must either eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.05. Notice of Defaults.

If a Default with respect to Securities of any Series occurs, is continuing and is actually known to a Trust Officer of the Trustee, the Trustee shall send to each Holder of Securities of that Series notice of the Default within 90 days after it is known to the Trustee. Except in the case of a Default with respect to Securities of any Series in payment of the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), and accrued and unpaid interest on, any Security of that Series, the Trustee may withhold the notice if and for so long as the a committee of its Trust Officers in good faith determines that withholding the notice is not opposed to the interests of the Holders.

SECTION 7.06. Reports by Trustee to Holders.

As promptly as practicable after each July 1 beginning with the July 1 after the issuance of Securities pursuant to this Indenture, and in any event prior to September 15 in each such year for so long as Securities remain outstanding, the Trustee shall mail to each Holder a brief report dated as of such reporting date that complies with Trust Indenture Act § 313(a). The Trustee also shall comply with Trust Indenture Act § 313(b). The Trustee shall promptly deliver to the Company a copy of any report it delivers to Holders pursuant to this Section 7.06.

A copy of each report at the time of its mailing to Holders shall be filed by the Trustee with the SEC and each stock exchange (if any) on which the Securities are listed. The Company agrees to notify promptly the Trustee whenever the Securities become listed on any stock exchange and of any delisting thereof.

SECTION 7.07. Compensation and Indemnity.

The Company shall pay to the Trustee from time to time reasonable compensation for its services as the Company and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents, counsel, accountants and experts. The Company shall indemnify the Trustee against any and all loss, liability or expense (including attorneys' fees) (other than taxes applicable to Trustee's compensation hereunder) incurred by it in connection with the administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing the Indenture (including this Section 7.07) and of defending itself against any claims (whether asserted by any Holder, the Company or otherwise). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder, except to the extent that the Company has been prejudiced by such failure. The Company shall defend the claim and the Trustee shall cooperate in the defense of any such claim, and, if (in the opinion of counsel to the Trustee) the facts and/or issues surrounding the claim are reasonably likely to create a conflict with the Company, the Company shall pay the reasonable and documented out-of-pocket fees and expenses of separate counsel to the Trustee. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct, negligence or bad faith. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld or delayed.

To secure the Company's payment obligations in this Section, the Trustee shall have a lien prior to the Securities on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Securities.

The Company's payment obligations pursuant to this Section shall survive the satisfaction or discharge of this Indenture, any rejection or termination of this Indenture under any bankruptcy law or the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Default specified in Section 6.01(5) or (6) with respect to the Company, the expenses are intended to constitute expenses of administration under the Bankruptcy Law.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign with respect to the Securities of any Series at any time upon 30 days' written notice to the Company. The Holders of a majority in aggregate principal amount of the Securities of any Series outstanding may remove the Trustee upon 30 days' written notice to the Trustee and may appoint a successor Trustee with respect to such Series of Securities, which successor Trustee shall be reasonably acceptable to the Company.

If at any time:

If the Trustee resigns, is removed by the Company or by the Holders of a majority in principal amount of the Securities of any Series and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture subject to the lien in Section 7.07 herein. The successor Trustee shall mail a notice of its succession to Holders of that Series of Securities. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07.

If a successor Trustee does not take office with respect to the Securities of that Series within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in aggregate principal amount of the Securities of that Series may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee; provided that such corporation shall be otherwise qualified and eligible under this Article VII and § 310(a) of the Trust Indenture Act, without the execution or filing of any paper or any further act on the part of the parties hereto.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Securities so authenticated; and in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Securities or in this Indenture; provided that the certificate of the Trustee shall have.

SECTION 7.10. Eligibility; Disqualification.

The Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with the Trust Indenture Act § 310(b); provided, however, that there shall be excluded from the operation of the Trust Indenture Act § 310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in the Trust Indenture Act § 310(b)(1) are met.

SECTION 7.11. Preferential Collection of Claims Against Company.

If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

SECTION 7.12. Conflicting Interests.

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture.

To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series.

Discharge of Indenture: DefeasanceSECTION 8.01. Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at the option of its Board of Directors evidenced by resolutions set forth in an Officer's Certificate, at any time, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Securities of any Series upon compliance with the conditions set forth below in this Article VIII.

Unless otherwise provided for in a Board Resolution, a supplemental indenture or an Officer's Certificate, when (a) the Company has delivered to the Trustee for cancellation all Securities of a Series or (b) all outstanding Securities of a Series not theretofore delivered to the Trustee for cancellation shall have become due and payable, or are by their terms to become due and payable within one year or are to be called for redemption within one year, and the Company shall have deposited with the Trustee as trust funds the entire amount sufficient to pay at Maturity or upon redemption of all outstanding Securities of the Series, and if, in either case, the Company shall also pay or cause to be paid all other sums payable under the Indenture by the Company, then the Indenture shall cease to be of further effect with respect to such Securities of such Series. The Trustee shall acknowledge satisfaction and discharge of the Indenture on demand of the Company accompanied by an Officer's Certificate and an Opinion of Counsel and at the cost and expense of the Company.

SECTION 8.02. Legal Defeasance and Discharge.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02 with respect to any Series of Securities, the Company shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from its obligations with respect to all outstanding Securities of that Series on the date the conditions set forth below are satisfied (hereinafter, "Legal Defeasance"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Securities of that Series, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other obligations under such Securities and this Indenture with respect to such Securities of such Series (and the Trustee, on demand of and at the expense of the Company and in sole reliance on an Opinion of Counsel and Officer's Certificate, shall execute such instruments reasonably requested by the Company acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Securities of that Series to receive solely from the trust fund described in Section 8.04 hereof, and as more fully set forth in such Section, payments in respect of the principal of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), and interest on, such Securities when such payments are due;

- (b) the Company's obligations with respect to such Securities of that Series under Article II;
- (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's obligations in connection therewith including without limitation under Article VII herein; and
- (d) this Article VIII.

Subject to compliance with this Article VIII, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

SECTION 8.03. Covenant Defeasance.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03 with respect to any Series of Securities, the Company shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from its obligations under the covenants contained in a Board Resolution, a supplemental indenture or an Officer's Certificate with respect to the outstanding Securities of that Series on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Covenant Defeasance"), and the Securities of that Series shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Securities shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Securities of that Series, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default with respect to such Securities under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Securities shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof with respect to any Series of Securities, subject to the satisfaction of the conditions set forth in Section 8.04 hereof and Sections 6.01(3) and 6.01(4) hereof shall not constitute Events of Default with respect to such Securities.

SECTION 8.04. Conditions to Legal or Covenant Defeasance.

The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Securities:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to any Series of Securities:

- (a) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of that Series of Securities, cash in U.S. dollars (or the currency in which Securities of that Series is denominated), non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized independent registered public accounting firm (as to which the Trustee is an addressee or otherwise entitled to rely), to pay the principal amount of (or, in the case of Original Issue Discount Securities of that Series, the portion thereby specified in the terms of such Security), premium, if any, and interest on, the outstanding Securities of that Series on the stated date for payment thereof or on the applicable redemption date, as the case may be;
-

(b) in the case of an election under Section 8.02 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States confirming that:

- (1) the Company has received from, or there has been published by, the Internal Revenue Service, a ruling; or
- (2) since the issue date of that particular Series of Securities under this Indenture, there has been a change in the applicable federal income tax law,
- (3) in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Securities of that Series will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same time as would have been the case if such Legal Defeasance had not occurred;

in the case of an election under Section 8.03 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States confirming that the Holders of the outstanding Securities of that Series will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(c) no Default or Event of Default with respect to that Series of Securities shall have occurred and be continuing either:

(1) on the date of such deposit (other than a Default or Event of Default with respect to that Series of Securities resulting from the borrowing of funds to be applied to such deposit); or

(2) insofar as Sections 6.01(5) or 6.01(6) hereof are concerned, at any time in the period ending on the 91st day after the date of deposit;

(d) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument to which the Company or any of its Significant Subsidiaries are a party or by which the Company or any of its Significant Subsidiaries are bound;

(e) the Company shall have delivered to the Trustee an Officer's Certificate to the effect that the deposit was not made by the Company with the intent of preferring the Holders over other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(f) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with and that the defeasance is permitted by the Indenture.

SECTION 8.05. Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the “Trustee”) pursuant to Section 8.04 hereof in respect of any outstanding Series of Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof.

Anything in this Article VIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized independent registered public accounting firm expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(c) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance. The Trustee shall have no liability for any such release of funds.

SECTION 8.06. Repayment to Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any Security and remaining unclaimed for two years (or as otherwise required by applicable law) after such principal, and premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease. Any unclaimed funds held by the Trustee pursuant to Section 8.06 shall be held uninvested and without any liability of or by the Trustee for interest.

SECTION 8.07. Reinstatement.

If the Trustee or Paying Agent is unable to apply any currency or non-callable Government Securities in accordance with Section 8.02 or 8.03 thereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company’s obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided, however, that, if the Company makes any payment of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

AmendmentsSECTION 9.01. Without Consent of Holders.

The Company and the Trustee may amend this Indenture or the Securities without notice to or consent of any Holder:

- (1) to cure any ambiguity, omission, defect or inconsistency;
 - (2) to surrender any right or power conferred upon the Company by this Indenture, to add to the covenants of the Company such further covenants, restrictions, conditions or provisions for the protection of the Holders of all or any Series of Securities as the Board of Directors of the Company shall consider to be for the protection of the Holders of such Securities, and to make the occurrence, or the occurrence and continuance, of a default in respect of any such additional covenants, restrictions, conditions or provisions a Default or an Event of Default under this Indenture; provided, however, that with respect to any such additional covenant, restriction, condition or provision, such amendment may provide for a period of grace after default, which may be shorter or longer than that allowed in the case of other Defaults, may provide for an immediate enforcement upon such Default, may limit the remedies available to the Trustee upon such Default or may limit the right of Holders of a majority in aggregate principal amount of the Securities of any Series to waive such default;
 - (3) to comply with Article V;
 - (4) to provide for uncertificated Securities in addition to or in place of certificated Securities; provided, however, that the uncertificated Securities are issued in registered form for purposes of Section 163(f) of the Code or in a manner such that the uncertificated Securities are described in Section 163(f)(2)(B) of the Code and such determination is set forth in an Opinion of Counsel upon which the Trustee may rely;
 - (5) to add Guarantees with respect to the Securities or to secure the Securities;
 - (6) to make any change that does not adversely affect in any material respect the rights of any Holder of Securities;
 - (7) to add to, change, or eliminate any of the provisions of this Indenture with respect to one or more Series of Securities, so long as any such addition, change or elimination not otherwise permitted under this Indenture shall (A) neither apply to any Security of any Series created prior to the execution of such supplemental indenture and entitled to the benefit of such provision nor modify the rights of the Holders of any such Security with respect to the benefit of such provision or (B) become effective only when there is no such Security outstanding;
 - (8) to evidence and provide for the acceptance of appointment by a successor or separate Trustee with respect to the Securities of one or more Series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of this Indenture by more than one Trustee;
-

(9) to add or to change any of the provisions of this Indenture to provide that Securities in bearer form may be registrable as to principal, to change or eliminate any restrictions on the payment of principal or premium with respect to Securities in registered form or of principal, premium or interest with respect to Securities in bearer form, or to permit Securities in registered form to be exchanged for Securities in bearer form, so as to not adversely affect the interests of the Holders of Securities or any coupons of any Series in any material respect or permit or facilitate the issuance of Securities of any Series in uncertificated form;

(10) in the case of subordinated Securities, to make any change in the provisions of this Indenture or any supplemental indenture relating to subordination that would limit or terminate the benefits available to any holder of senior Indebtedness under such provisions (but only if each such holder of senior Indebtedness consents to such change);

(11) to comply with any requirements of the SEC in connection with qualifying, or maintaining the qualification of, this Indenture or any supplemental indenture under the Trust Indenture Act;

(12) to conform any provision in this Indenture or the Securities to the description of any Securities in an offering document;

(13) to approve a particular form of any proposed amendment; provided that Holders consent to approve the substance of the proposed amendment to the extent required;

(14) to provide for the issuance of additional debt securities of any series;

(15) to establish the form or terms of Securities and coupons of any Series pursuant to Article II;

(16) to comply with the rules of any applicable Depositary;

(17) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Securities; provided, however, that (a) compliance with this Indenture as so amended would not result in Securities being transferred in violation of the Securities Act or any other applicable securities law and (b) such amendment does not materially and adversely affect the rights of Holders to transfer Securities; or

(18) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee, or to make such other provisions in regard to matters or questions arising under this Indenture as shall not adversely affect, in any material respect, the interests of any Holders of Securities of any Series.

SECTION 9.02. With Consent of Holders.

The Company and the Trustee may amend this Indenture or the Securities of any Series without notice to any Holder but with the written consent of the Holders of at least a majority in principal amount of the Securities of any Series then outstanding and affected by such amendment (including consents obtained in connection with a purchase of, or tender offer or exchange for, the Securities) and any past default or compliance with any provisions may also be waived with the consent of the Holders of at least a majority in principal amount of the Securities of any Series then outstanding and affected. However, without the consent of each Holder affected thereby, an amendment or waiver may not:

- (1) reduce the percentage of the principal amount of the outstanding Securities of any Series, the consent of whose Holders is required for any amendment;
- (2) reduce the principal amount of, or interest on, or extend the Stated Maturity or interest payment periods of, any Security;
- (3) change the provisions applicable to the redemption of any Security;
- (4) make any Security payable in money or securities other than those stated in the Security;
- (5) impair the right of any Holder of the Securities to receive payment of principal of and interest on such Holder's Securities on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Securities;
- (6) except as otherwise provided pursuant to Article VIII under this Indenture, release any security or Guarantee that may have been granted with respect to any Security;
- (7) in the case of any subordinated Securities, or coupons appertaining thereto, make any change in the provisions of this Indenture relating to subordination that adversely affects the rights of any Holder under such provisions (including any contractual subordination of senior unsubordinated debt securities);
- (8) expressly subordinate the Securities to any other Indebtedness of the company or its Subsidiaries; or
- (9) make any change in Section 6.04 or 6.07 or the second sentence of this Section.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, but it shall be sufficient if such consent approves the substance thereof.

After an amendment under this Section becomes effective, the Company shall send to all affected Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section.

SECTION 9.03. Compliance with Trust Indenture Act.

Every amendment to this Indenture or the Securities shall comply with the Trust Indenture Act as then in effect.

SECTION 9.04. Revocation and Effect of Consents and Waivers.

A consent to an amendment or a waiver by a Holder of a Security shall bind the Holder and every subsequent Holder of that Security or portion of the Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent or waiver is not made on the Security. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Security or portion of the Security if the Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective with respect to Securities, it shall bind every Holder of such Securities. An amendment or waiver becomes effective upon the execution of such amendment or waiver by the Trustee.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.05. Notation on or Exchange of Securities.

If an amendment changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. The Trustee may place an appropriate notation on the Security regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Security shall issue and the Trustee shall authenticate a new Security that reflects the changed terms. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment.

SECTION 9.06. Trustee To Sign Amendments.

The Trustee shall sign any amendment authorized pursuant to this Article IX if the amendment does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may but need not sign it. In signing such amendment the Trustee shall be entitled to receive indemnity reasonably satisfactory to it and to receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that such amendment is authorized or permitted by this Indenture.

Upon the execution of any supplemental indenture under this Article IX, this Indenture shall be modified in accordance therewith, and such supplemental Indenture shall form a part of this Indenture for all purposes; and every Holder theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Company has exercised its right to redeem the Notes pursuant to paragraph 5 of the Notes, each Holder shall have the right to require that the Company purchase all or a portion of such Holder's Notes, at a purchase price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to, but not including, the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in accordance with the terms contemplated in Section 4.05(b).

(b) Within 30 days following any Change of Control Triggering Event, or at the Company's option, prior to any Change of Control but after the public announcement of the pending Change of Control, the Company shall mail a notice by first-class mail to each Holder, or electronically if held by DTC, with a copy to the Trustee (the "Change of Control Offer"), stating:

(1) that a Change of Control Triggering Event has occurred and that such Holder has the right to require the Company to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest on the relevant interest payment date);

(2) the circumstances and relevant facts regarding such Change of Control Triggering Event (including, if applicable, information with respect to pro forma historical income, cash flow and capitalization, in each case after giving effect to such Change of Control);

(3) the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law) (the “Change of Control Payment Date”); and

(4) the instructions, as determined by the Company, consistent with this Section, that a Holder must follow in order to have its Notes purchased.

(c) Holders electing to have Notes purchased pursuant to this Section 4.05 will be required to surrender the Notes, with an appropriate form duly completed, to the Paying Agent at the address specified in the notice, or transfer their Notes to the Paying Agent by book-entry transfer pursuant to the applicable procedures of the Paying Agent, prior to the close of business on the third Business Day prior to the Change of Control Payment Date. Holders will be entitled to withdraw their election if the Trustee or the Paying Agent receives not later than one Business Day prior to the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes which were delivered for purchase by the Holder and a statement that such Holder is withdrawing his election to have such Notes purchased.

(d) On the Change of Control Payment Date, all Notes purchased by the Company under this Section shall be delivered by the Company to the Trustee for cancellation, and the Company shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto.

(e) Notwithstanding the foregoing provisions of this Section, the Company shall not be required to make a Change of Control Offer following a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section applicable to a Change of Control Offer made by the Company and such third party purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notes purchased by a third party pursuant to this Section will have the status of Notes issued and outstanding.

(f) A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer. The notice, if mailed prior to the date of consummation of the Change of Control, will state that the Change of Control Offer is conditioned on the Change of Control being consummated on or prior to the Change of Control Payment Date.

(g) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section by virtue of its compliance with such securities laws or regulations.

(h) The Company's obligation to make a Change of Control Offer to repurchase Notes as a result of a Change of Control Triggering Event pursuant to this Section 4.05 may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes.

(i) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described in Section 4.05(e), purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to, but not including, the date of redemption.

SECTION 4.06. Limitation on Liens

(a) The Company shall not, and shall not permit any Subsidiary to, directly or indirectly, Incur or permit to exist any Lien (an "Initial Lien") of any nature whatsoever on any of its properties or assets, whether owned at the Issue Date or thereafter acquired, securing any Indebtedness, other than Permitted Liens, without effectively providing that the Notes (together with, at the option of the Company, any other Indebtedness of the Company or any of its Subsidiaries ranking equally in right of payment with the Notes) shall be secured equally and ratably with (or prior to) the obligations so secured for so long as such obligations are so secured.

(b) Notwithstanding paragraph (a) of this Section 4.06, the Company and its Subsidiaries may create, assume, Incur or Guarantee Indebtedness secured by a Lien without equally and ratably securing the Notes; provided that at the time of such creation, assumption, Incurrence or Guarantee, after giving effect thereto and to the retirement of any Indebtedness that is being retired substantially concurrently with any such creation, assumption, incurrence or guarantee, the sum of (i) the aggregate amount of all outstanding Indebtedness secured by Liens other than Permitted Liens, (ii) the Attributable Debt of all Sale/Leaseback Transactions of the Company and its Subsidiaries permitted by paragraph (b) of Section 4.07 and (iii) the aggregate amount of all outstanding refinancing Indebtedness incurred pursuant to clause (12) of the definition of Permitted Liens in respect of Indebtedness initially Incurred pursuant to this sentence does not at such time exceed the greater of (x) \$1,550.0 million and (y) the amount that would cause the Consolidated Secured Debt Ratio to exceed 2.25 to 1.00.

(c) Any such Lien thereby created in favor of the Notes shall be automatically and unconditionally released and discharged upon (i) the release and discharge of each Initial Lien to which it relates, or (ii) any sale, exchange or transfer to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien.

(a) The Company shall not, and shall not permit any Subsidiary to, enter into any Sale/Leaseback Transaction with respect to any property unless (i) such transaction involves a lease for not more than three years (or which may be terminated by the Company or its Subsidiaries within a period of not more than three years); (ii) such transaction involves leases between only the Company and a Subsidiary or only between Subsidiaries; (iii) such transaction involves leases of property executed by the time of, or within 12 months after the latest of, the acquisition, the completion of construction or improvement or the commencement of commercial operation of the property; (iv) the Company or such Subsidiary would be entitled to create a Lien on such property securing such Attributable Debt without equally and ratably securing the Notes pursuant to Section 4.06; or (v) the net proceeds of the sale of the property to be leased are at least equal to such property's Fair Market Value, as determined by the Company's Board of Directors in good faith, and such net proceeds are applied within 365 days of the effective date of the Sale/Leaseback Transaction, or the Company enters into a definitive agreement within such 365-day period to apply such net proceeds, to (x) the purchase, construction, development or acquisition of properties or assets or (y) the redemption, repayment or other retirement for value of the Notes or any Indebtedness of the Company that ranks equally in right of payment with the Notes or any Indebtedness of one or more Subsidiaries.

(b) Notwithstanding the restrictions set forth in paragraph (a) of this Section 4.07, the Company and its Subsidiaries will be permitted to enter into Sale/Leaseback Transactions that would otherwise be subject to such restrictions, without complying with the requirements of paragraph (a) of this Section 4.07, if, after giving effect thereto, the aggregate amount of all Attributable Debt with respect to Sale/Leaseback Transactions existing at such time that could not have been entered into except for the provisions described in this paragraph, together with the aggregate amount of all outstanding Indebtedness secured by Liens permitted under paragraph (b) of Section 4.06, does not at such time exceed the greater of (x) \$1,550.0 million and (y) the amount that would cause the Consolidated Secured Debt Ratio to exceed 2.25 to 1.00.

3. With respect to the Notes, the Events of Default set forth in Section 6.01 of the Indenture shall be deemed to be amended and restated as follows (and all cross-references in the Indenture to "Section 6.01(5) or (6)" shall instead refer to "Section 6.01(7) or (8)"):

(6) Indebtedness of the Company or any Significant Subsidiary is not paid within any applicable grace period after final maturity or is accelerated by the holders thereof because of a default and the total amount of such Indebtedness unpaid or accelerated exceeds \$100,000,000, or its foreign currency equivalent at the time;

“Capital Lease Obligation” means an obligation that is required to be classified and accounted for as a capital lease for financial reporting purposes in accordance with GAAP, and the amount of Indebtedness represented by such obligation shall be the capitalized amount of such obligation determined in accordance with GAAP; and the stated maturity thereof shall be the date of the last payment of rent or any other amount due under such lease prior to the first date upon which such lease may be terminated by the lessee without payment of a penalty. For purposes of Section 4.06, a Capital Lease Obligation will be deemed to be secured by a Lien on the property being leased.

“Change of Control” means the occurrence of any one of the following:

- (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Company and its Subsidiaries taken as a whole to any Person (including any “person” (as that term is used in Section 13(d)(3) of the Exchange Act)) other than to the Company or one of its Subsidiaries;

- (3) the Company consolidates with, or merges with or into, any Person, or any Person consolidates with, or merges with or into, the Company, in any such event pursuant to a transaction in which any of the outstanding Voting Stock of the Company or such other Person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Voting Stock of the Company outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving Person immediately after giving effect to such transaction;

 - (iii) any unrealized gains for such period attributable to the application of “mark to market” accounting in respect of Hedging Obligations; and

All amounts added back in computing Consolidated EBITDA for any period pursuant to clause (a) above, and all amounts subtracted in computing Consolidated EBITDA pursuant to clause (b) above, to the extent such amounts are, in the reasonable judgment of an accounting officer of the Company, attributable to any Subsidiary that is not wholly owned by the Company, shall be reduced by the portion thereof that is attributable to the non-controlling interest in such Subsidiary. For purposes of calculating Consolidated EBITDA for any period, if during such period the Company or any Subsidiary shall have consummated a Material Acquisition or a Material Disposition, Consolidated EBITDA for such period shall be calculated after giving pro forma effect thereto in accordance with generally accepted financial practice as if such Material Acquisition or a Material Disposition had occurred on the first day of such period.

In determining whether the rating of the Notes has decreased by one or more gradations, gradations within Rating Categories (+ and – for S&P; 1, 2 and 3 for Moody’s; or the equivalent gradations for another Rating Agency) shall be taken into account (e.g., with respect to S&P, a decline in a rating from BB+ to BB, as well as from BB– to B+, will constitute a decrease of one gradation).

REVERSE OF NOTE

1. Notes

This Note is one of a duly authorized issue of securities of the Company (herein called the “Notes”), issued and to be issued in one or more series, pursuant to the Indenture dated as of June 18, 2018, as supplemented by the Officer’s Certificate dated as of June 18, 2018 (as so supplemented, the “Indenture”) between the Company and U.S. Bank National Association, as Trustee (herein called the “Trustee,” which term includes any successor Trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, and the Holders and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof as “5.875% Senior Notes due 2026,” issued in an initial aggregate principal amount of \$500,000,000. The Notes will be issued only in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

2. Interest

CDK Global, Inc., a Delaware corporation (such entity, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Company”), promises to pay interest on the principal amount of this Security at the rate per annum shown above or as may be adjusted from time to time pursuant to the terms hereof. The Company will pay interest semiannually on June 15 and December 15 of each year, commencing December 15, 2018. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from June 18, 2018. Interest will be computed on the basis of a 360-day year comprised of twelve 30 day months. The Company will pay interest on overdue principal at the rate borne by this Note plus 1.0% per annum, and it will pay interest on overdue installments of interest at the same rate to the extent lawful.

3. Method of Payment

The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the June 1 or December 1 next preceding the interest payment date even if Notes are canceled after the record date and on or before the interest payment date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of the Notes represented by a Global Security (including principal, premium, if any, interest and additional interest, if any) will be made by wire transfer of immediately available funds to the accounts specified by the Holder. The Company will make all payments in respect of a certificated Note (including principal, premium, if any, interest and additional interest, if any) by mailing a check to the registered address of each Holder thereof; provided, however, that payments on a certificated Note will be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 30 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

4. No Sinking Fund

The Notes will not be entitled to the benefit of any sinking fund.

5. Optional Redemption

Except as set forth below, the Company shall not be entitled to redeem the Notes.

(a) General: At any time or from time to time on or after June 15, 2021, the Company, at its option, may on any one or more occasions redeem the Notes, in whole or in part, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon, if any, to, but excluding, the redemption date, if redeemed during the 12-month period beginning on June 15 of the years indicated:

<u>Year</u>	<u>Optional Redemption Price</u>
2021	102.938%
2022	101.958%
2023	100.979%
2024 and thereafter	100.000%

In addition, at any time prior to June 15, 2021, the Notes may also be redeemed by the Company on any one or more occasions in whole or in part, at the Company's option, at a price equal to 100% of the principal amount thereof plus the Applicable Premium as of, and accrued but unpaid interest, if any, to, but excluding, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date).

“Applicable Premium” means, with respect to a Note at any Redemption Date, the greater of:

(1) 1.0% of the principal amount of such Note; and

(2) the excess of:

(a) the present value at such Redemption Date of (1) the redemption price of such Note on June 15, 2021, such redemption price being that described above plus (2) all required remaining scheduled interest payments due on such Note through June 15, 2021, other than accrued interest to such redemption date, computed using a discount rate equal to the Treasury Rate plus 50 basis points per annum discounted on a semi-annual bond equivalent basis, over

(b) the principal amount of such Note on such Redemption Date.

Calculation of the Applicable Premium will be made by the Company or on behalf of the Company by such Person as the Company shall designate; provided, however, that such calculation shall not be a duty or obligation of the Trustee.

“Treasury Rate” means, as of any Redemption Date, the weekly average rounded to the nearest 1/100th of a percentage point (for the most recently completed week for which such information is available as of the date that is two Business Days prior to the Redemption Date) of the yield to maturity of United States Treasury securities with a constant maturity (as compiled and published in the Federal Reserve Statistical Release H.15 with respect to each applicable day during such week or, if such Statistical Release is no longer published or available, any publicly available source of similar market data selected by the Company) most nearly equal to the period from the Redemption Date to June 15, 2021; provided, however, that if the period from the Redemption Date to June 15, 2021 is not equal to the constant maturity of a United States Treasury security for which such a yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if the period from the Redemption Date to June 15, 2021 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

(b) Optional Redemption Following Change of Control Offer: If Holders of not less than 90% in aggregate principal amount of the outstanding Notes tender and do not withdraw such Notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right, upon not less than 30 nor more than 60 days’ prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to, but not including, the date of redemption.

6. Notice of Redemption

Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder of Notes to be redeemed at his registered address, except that redemption notices may be mailed more than 60 days prior to the redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption will not impair or affect the validity of the redemption of any other Note redeemed in accordance with the provisions of the Indenture. Notes in denominations larger than \$2,000 principal amount may be redeemed in part but only in principal amounts of \$2,000 or less in whole and not in part. If money sufficient to pay the redemption price of and accrued interest on all Notes (or portions thereof) to be redeemed on the redemption date is deposited with the Paying Agent on or before the redemption date and certain other conditions are satisfied, on and after such date interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

7. Change of Control

Upon a Change of Control Triggering Event, any Holder of Notes will have the right to cause the Company to repurchase all or any part of the Notes of such Holder at a repurchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued interest to the date of repurchase (subject to the right of holders of record on the relevant record date to receive interest due on the related interest payment date) as provided in, and subject to the terms of, the Indenture.

8. Defaults and Remedies

10. No Impairment of Obligation to Pay or Right to Convert

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest on this Note at the times, places and rate, and in the coin or currency, herein prescribed or to convert this Note as provided in the Indenture.

11. Transfer and Exchange

As provided in the Indenture and subject to certain limitations set forth therein, the Notes shall be transferable only upon the surrender of a Note for registration of transfer. When a Note is presented to the Registrar with a request to register a transfer, the Registrar will register the transfer as requested if the requirements of the Indenture are satisfied. When Notes are presented to the Registrar with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the requirements of the Indenture are met. To permit registration of transfers and exchanges, the Company will execute and the Trustee will authenticate Notes at the Registrar's request.

12. Unclaimed Money

Subject to any applicable abandoned property law, if money for the payment of principal or interest remains unclaimed for two years after the date of payment of such principal and interest, the Trustee or Paying Agent shall pay the money back to the Company at its request. After any such payment, Holders entitled to the money must look to the Company and not to the Trustee for payment as general creditors.

13. Discharge and Defeasance

Subject to certain conditions, the Company at any time shall be entitled to terminate some or all of its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or Government Securities for the payment of principal and interest on the Securities to redemption or maturity, as the case may be.

No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, shall have any liability (except in the case of bad faith or willful misconduct) for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

Registration Statement on Form S-3ASR (File No. 333-224580)

Ladies and Gentlemen:

We have acted as counsel to CDK Global, Inc., a Delaware corporation (the “Company”), in connection with the Registration Statement on Form S-3ASR (File No. 333-224580) (the “Registration Statement”), which became effective on May 1, 2018. You have asked us to furnish our opinion as to the legality of \$500,000,000 aggregate principal amount of the Company’s 5.875% Senior Notes due 2026 (the “Notes”), which are registered under the Registration Statement and which are being sold today pursuant to an Underwriting Agreement, dated as of June 4, 2018 (the “Underwriting Agreement”), by and among J.P. Morgan Securities LLC, as representative of the several underwriters named therein (the “Underwriters”), and the Company.

The Notes are to be issued under an Indenture, dated as of June 18, 2018 (the “Base Indenture”), between the Company and U.S. Bank National Association, as trustee (the “Trustee”), as amended and supplemented by an Officer’s Certificate (the “Officer’s Certificate” and, together with the Base Indenture, the “Indenture”).

In connection with the furnishing of this opinion, we have examined originals, or copies certified or otherwise identified to our satisfaction, of the following documents:

1. the Registration Statement;
 2. the preliminary prospectus supplement dated June 4, 2018;
-

3. the pricing term sheet dated June 4, 2018 set forth on Annex B to the Underwriting Agreement;
4. the final prospectus supplement dated June 4, 2018 (the "Final Prospectus");
5. the Underwriting Agreement;
6. the Indenture; and
7. the form of Notes to be issued on the date of this letter.

In addition, we have examined (i) such corporate records of the Company that we have considered appropriate, including a copy of the certificate of incorporation, as amended, and by-laws, as amended, of the Company, (ii) copies of resolutions of the board of directors of the Company relating to the issuance of the Notes and (iii) such other certificates, agreements and documents as we deemed relevant and necessary as a basis for the opinion expressed below.

We have also relied upon oral and written statements of officers and representatives of the Company, upon the representations and warranties of the Company made in the Underwriting Agreement as to factual matters and upon certificates of public officials and the officers of the Company.

In our examination of the documents referred to above, we have assumed, without independent investigation, the genuineness of all signatures, the legal capacity of all individuals who have executed any of the documents reviewed by us, the authenticity of all documents submitted to us as originals, the conformity to the originals of all documents submitted to us as certified, photostatic, reproduced or conformed copies of valid existing agreements or other documents, the authenticity of all such latter documents and that the statements regarding matters of fact in the certificates, records, agreements, instruments and documents that we have examined are accurate and complete.

Based upon the above, and subject to the stated assumptions, exceptions and qualifications, we are of the opinion that the Notes, when duly authenticated by the Trustee, and duly issued and delivered by the Company against payment as provided in the Underwriting Agreement, will constitute legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except that the enforceability of the Notes may be subject to bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium or similar laws affecting creditors' rights generally and subject to general principles of equity (regardless of whether enforceability is considered in a proceeding in equity or at law).

The opinion expressed above is limited to the laws of the State of New York, the Delaware General Corporation Law and the federal laws of the United States of America. Our opinion is rendered only with respect to the laws, and the rules, regulations and orders under those laws, that are currently in effect.

We hereby consent to use of this opinion as an exhibit to the Registration Statement and to the use of our name under the heading "Legal Matters" in the base prospectus included in the Registration Statement and in the Final Prospectus. In giving this consent, we do not hereby admit that we come within the category of persons whose consent is required by the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission thereunder.

Very truly yours,

/s/ Paul, Weiss, Rifkind, Wharton & Garrison LLP
